

August 2014 Newsletter

We had a terrific meeting in July about spinal injuries. Spinal degenerative conditions were discussed by Dr. Jeffrey Coe and associates at Maggiano's in San Jose's Santana Row. We had 42 people. Dr. Jeffrey Coe brought his associate surgeons and his newest associate, Rehabilitation Medicine physician, as well. It was truly very enlightening and interesting.

In August, we will have a fun meeting where we can meet and greet each other and discuss South Bay AMWA business. See you then!

Warmly,
Gloria Wu, MD
President, South Bay AMWA
