Dear South Bay AMWA members,

WHO reports that during the week of 18 through 24 April 2022, over 4.5 million cases and over 15,000 deaths were reported, decreases of 21% and 20% respectively, as compared to the previous week.

However, an increase in the number of new weekly cases was reported from the Regions of the Americas (+9%) and the African Region (+32%), and the number of new weekly deaths increased in the South-East Asia Region (+41%), due to a delay in reporting of deaths from India, and in the Africa Region (+110%).

Be vigilant, stay safe, and be sure to wear a mask!

(Please send in your dues...) Make payable to South Bay AMWA. Mail checks to Dr. Tripty Gandhi, our treasurer. The address is 1080 Scott Blvd, Suite 5, Santa Clara, CA 95050.

All the best,

Gloria Wu, MD
